

Friends of Marsh Mill

Help our Mill to a Brighter Future

Come and get Involved . . .

Built in 1794, Marsh Mill at Thornton is the best-preserved windmill in the North West and one of the most historic buildings on the Fylde

The Friends of Marsh Mill works as the independent voice of the mill to help ensure its future.

But more people are urgently needed to further our work in securing the prosperity of the mill.

If you enjoy meeting people and would like to get involved with our work, please don't hesitate to make contact or call in at the mill on any weekend (11am-3pm).
